LETTERS OPENED BY PROGRAMME EDITOR, ALBERT SEWELL

CUP FINAL TICKETS

FOR the second year running the Club has a very real chance of reaching Wembley. You stated in the Shrewsbury programme that the voucher ticket system would be used, but do you intend to give season-ticket holders any preference this year in the way you mentioned in a couple of programmes last year?

Alan Carter.

Ticket-holder, North Stand.

50 Broxash Road,
Battersea, S.W.11.

● *If we get to Wembley, season-ticket holders will get first priority among our Supporters.*

CHALLENGE FROM IRELAND

HAVING read the letter from the Dutch followers in the last programme, I would like to issue a challenge to them that my pal and I travel much farther to see Chelsea.

We were at the game with Manchester United and will be back to see the sixth round Cup-tie with Hull.

Like the fans from Holland, we fly to London in the morning and return home in the evening.

Surely we are Chelsea's most-travelled supporters, and deserve two Cup Final tickets to see our great side in the Final at Wembley on May 14th.

Your Most Ardent Fans,

Terence Brennan.

RESERVE GAMES

WHAT is the cost to get in at a Reserve match and how many people are usually there?

J. Coote.

Kimmeridge,
78 Hurst Lane,
East Molesey, Surrey.

● *Ground admission to Reserve matches is 2/- (Boys 1/-), transfer to Stands 1/- and 2/-, to Enclosure 6d. Season-ticket holders get free admission. The average home attendance this season is 700.*

PLANS HELD UP

THERE have been vast improvements at "The Bridge" just recently, but please let us be the BEST club. Could you let us know of any other developments soon to take place at Chelsea?

A. T. Austin.

40 Lochaline Street,
Hammersmith, W.6.

● *Further ground development plans are temporarily held up until we know what effect a proposed new motor-way adjoining the East side of the stadium will have.*

BUT OF COURSE . . .

A REPENTANT Editor acknowledges the letters of readers who have pointed out that our last home defeat by a foreign side was by 2-4 against Benfica on October 7, 1964, and not the match against C.D.S.A. Moscow (1-4) in November 1957, as stated in the last programme.
